### Supplementary Coaching classes for 2017-18 Metric candidates and Class IX students for final exam.

NEDAN's operational area 25<sup>th</sup> displaced location in three blocks namely- Kokrajhar, Kochugaon and Dotma of Kokrajhar district are mostly un-served areas. In those areas students ability to perform in examinations are not up to the mark as compared to other areas due to less accessibility of learning environment according to their capacity. Due to lack of learning environment the pass percentage of HSLC is very less as compare to other parts of the district (urban or semi-urban areas). Taking account on those issues NEDAN ha started providing Supplementary Coaching for Metric and Class IX students for final exam.

NEDAN has provided supplementary coaching classes in Seven project locations namely- Bashbari, Kochugaon, Nawerbita, Duramari, Karigaon, New Bashbari and 9 No. Dholapara which is most conflict affected areas under Kokrajhar District in three subjects Mathematics, English and Science were taught by the external tutors for the period of five months in the year 2017. UNICEF has supported supplementary coaching classes for 1 month and rest 4 months were managed by NEDAN itself. In supplementary coaching classes the Library boxes, Text books, Model Questions, Suggestion Books, pens etc all the required materials were provided to all the locations where supplementary coaching classes where provided.

Students attendance is maintain properly and it is ensure that all the students are attending classes regularly.

Regular visit to the coaching classes has been done by NEDAN team.

### **Exposure cum learning visits of Children's and Adolescent Groups from 25<sup>th</sup> locations in Kokrajhar district.**

Children and Adolescent from 25 displaced locations were brought for exposure visit cum learning experiment at three different important places on 21<sup>st</sup> November, 2017. The trip was for one whole day and it was more of let them know the value of important places under Kokrajhar District, with which they can gain a knowledge on some important areas of learning in the world and be a part in a very selective manner in their vision for future.

The Children and adolescent were guided by their respective program facilitator from the respective places. All got together in Kokrajhar District Sports Association (KDSA) field from all the locations. KDSA is sports association situated in Kokrajhar, Bagansali where they run a sports institution. They have various games & sports that are taught in KDSA itself. Adolescents and children are taught the importance of sports activity in life and how they can make sports as a career. Many children were interactive while talking on the game football with the In-charge in the field. Children are then served tea and snacks in field itself.

The children are taken to Bodoland University (BU) after the visit at KDSA field. They were shown all the infrastructure of the BU and let them knew the different department buildings and taught what the subjects are. They were taught the important of Universities in our life for gaining more knowledge in respective subjects. They were explained that attending University can make us better person with better responsibility and better job which will make us a better person in this world. And also taught education can reduce child related issues in our areas and we can become better leaders in our society and build a better future. Children are seen excited while visit to the BU campus which shows their willingness and hope to be a part of University some day.

And lastly the entire Children were taken to Dhir Beel a picnic cum tourist place situated in border of Kokrajhar and Dhubri district for the refreshment and let them knew the importance of tourist places in our areas. Before the meal children were taught how to maintain picnic safe and picnic spot clean. Also tourist places can be important in our areas by making clean and peaceful environment, which can attract more tourist people. And then all are refreshed with a delicious meal and return back from the spot to own areas. The children were indeed overwhelmed after the trip as they meet new friends as well as they have gain new knowledge regarding sports and university as well sightseeing to beautiful lake view of Dhir beel.
